

Lesson 6 Review

Dear Parents/Guardians:

Today was the last day of *Footprints for Life*[™] in your child's class. Over the last six weeks, your child has learned very valuable skills that if practiced, will be useful throughout their entire life. Please encourage your child to continue practicing and utilizing their new skills whenever they have a decision to make, a conflict to resolve, or whenever they have feelings to express. Always look for opportunities to discuss alcohol, tobacco, and other drugs with your child.
